ADELAIDE NASH HASH POSTPONED TO MARCH 2022

In view of the current COVID-19 outbreaks in eastern Australia and the likely border and quarantine restrictions over the next few months, the organising committee has decided to postpone Adelaide Nash Hash until **Friday the 25th to Sunday the 27th of March, 2022**. This is the second postponement due to the pandemic, but the difference this time will be that most of us are likely to be fully vaccinated by next March. This should mean restrictions are less likely and we will be much safer. It's a big decision affecting everyone, but the pandemic has forced our hand.

We currently have 867 fully paid regos. Following the recent outbreaks we have received several requests for refunds from Aussie hashers. Hopefully some of these will now reconsider as a result of this postponement. If so, let us know!

Our policy until now has been to encourage selling unwanted regos rather than giving refunds. So far our expenditure has been largely covered by interest from bank term deposits. However, we have placed a firm order for goody bag items at a cost of just under \$50 pp. Our new refund policy is:-

- If you want an immediate refund, we'll give you whatever you paid less \$100 (\$50 as a pledge/contribution plus \$50 for the goody bag, which we'll give to someone you nominate to collect for you at Nash Hash).
 - Send your bank details (or better still your PayID) and the collection authorisation to rego@adelaidenashhash.com.
- If you want a refund and are happy to wait until the event is over then let us know you're not coming and we'll try to give you a full refund (less \$50 for your goody bag) after Nash Hash – which we'll send to your nearest capital city for collection, unless you nominate someone to collect it for you at Nash Hash.
- Alternatively you can sell and transfer your rego to someone else.
- If you can't come to Nash Hash due to last minute COVID restrictions (border closures or serious quarantine requirements) or if Nash Hash is cancelled, we'll try to give you a full refund (less \$50 for your goody bag) after the event plus your goody bag. We'll send your goody bag to your nearest capital city for collection unless you tell us otherwise.

If you want to request a refund please send your bank details (preferably a PayID) and the goody bag collection authorisation to rego@adelaidenashhash.com.

To try to make it fairer for everyone, including those who sold their rego after the last postponement and now want to come to Nash Hash in March next year, we are reducing the full rego cost from \$450 to \$410. Alternatively check Facebook to see if you can buy a cheaper one.

We still plan to hold a great Nash Hash in March 2022 despite all the setbacks that the pandemic has thrown at all of us. The 25th to 27th of March next year is the first weekend after the Adelaide Fringe and Festival.

If you have questions other than about regos please send them to: info@adelaidenashhash.com.
See you all in Adelaide next year!
