

Merry Christmas and Happy New Year

On On Nash Hashers

Wishing you a **Merry Christmas and a Happy New Year** from the Adelaide Nash Hash team.

Things are looking brighter for 2022. The Goody bags, T-Shirts etc. have been delivered ready to pass out when you register at the Cumby Pub or the Old Adelaide Gaol.

The latest proposed changes to South Australia's restrictions has given us hope that we can go ahead with the full program as planned. A final decision will be made in January 2022.

The proposed changes start on 28 December and include those who are vaccinated being able to stand while drinking, sing and dance – which will make circles much more fun!

The health authorities throughout Australia are still strongly pushing vaccination and we agree this is the best option for a safe Nash Hash. 96% over age 50 comply already. Booster shots are also recommended.

We have a list of hashers who can't make it in March and most are selling at the cheap \$300 price. Ask on our [Facebook Group](#) and submit a [registration request](#). Be aware that you may need to swap T-shirts to get your correct size. We may be able to help with that.

We welcome discussion on our Facebook Group about how you see 2022 panning out. We will all enjoy more freedom but there are still concerns.

We hope to see you all in March!
